FOR EBA MEMBERS ONLY

EBA CODE OF CONDUCT

The European Business Association, being a voluntary union of legal entities, a non-governmental and non-profit organization, designated the following Code of Conduct for application and implementation by its members.

As a member of the European Business Association, the company will:

- Promote fair and transparent competition;
- Respect intellectual and other property rights;
- Promote and respect non-corruption practices;
- Encourage compliance with prevailing law at all times;
- Respect employees' rights, including health and safety, equal opportunities at work, and training;
- Seek to develop constructive relations with local and national government bodies to achieve a just and productive business climate;
- Respect local communities, and recognize the importance of environmental protection;
- Promote the application of these principles by those with whom we do business.
